

Reclaiming her North-African heritage with an attitude, LALA Tamar is pop music's new Eastern muse.

With a powerful voice and striking feminine presence, Lala brings for the first time the undiscovered songs of the Jewish women of Spanish Morocco.

Transforming these ancient ladino hymns into punchy pop songs with dance and hip hop beats, Lala's performance is sure to move even the most stubborn listeners to their feet, hands clapping!

After touring on stages from Morocco to Portugal, India to Holland and many more, LALA Tamar is excited to be touring the US for the first time spring 2023
